Dear Mr. Jarvis,

Please accept my apologies
for troubling you again.

I contacted Mrs. Lida
He Mille last year when
I had first heard from
you. She forwarded me to
her brother-in-law James
in Trenton. It seems his
father's name is Alexander
Edward He Mille, no relation
to my grandfather Albro
Edward He Mille. I believe
that their exact same
initials confused us all.

My real problem is that
I fail to understand why
I cannot receive tangible
evidence of my grandfather's

²

^{birth}
Birth. I am quite willing to pay any fee which is required to obtain a copy of the birth record. You have not even told me if you have or have not a record of such a person.

Perhaps I am enquiring in the wrong town. My grandfather could have lied about his birthplace. It is possible since he died under unusual circumstances.

I do hope that I have not overplayed my intentions but I seem to be at a stand still.

Thank you for your former information. My only regret is that I cannot directly tie these names together.

Yours very truly,
Maureen He Mille

With 500 copies of the
new copy for which is required
the addition of 500 of the
first issue. You have not
yet told me if you have or
how much a record of such a

change. I am expecting in
the coming hour. My friend
John could have been about
the subject. It is possible
that he did under unusual
circumstances.

I do hope that I have not
overlooked any important point
to be at a standstill.
Thank you for your former
information. My only regret
is that I cannot assist
in this manner together.

Yours very truly,

As you can see Susan + Mary both married Tripps.

Susan had a son Isaac + a son Israel.
Mary had a son Daniel + a son Israel. The three
names Isaac Israel + Daniel are repeated through

2 the entire family but are not together in that generation that I can see.

my mother is descended from Catherine & Dad from Sarah.

From Catherine comes a host of Smiths beginning with James Smith from Co Cavan Ireland who married Eliza Bellamy.

There are Cranks, Lockwoods, Wags, Noxons etc in this work. It is unfortunate that my father is not here. He could trace your friend back through the Tripps no doubt as he had, I know been in close correspondence with older members of the Tripp family.

If your friend can recall anyone else's name — one of the sisters etc it might help to place her in the right family. Could one of the 3 names be a first cousin?

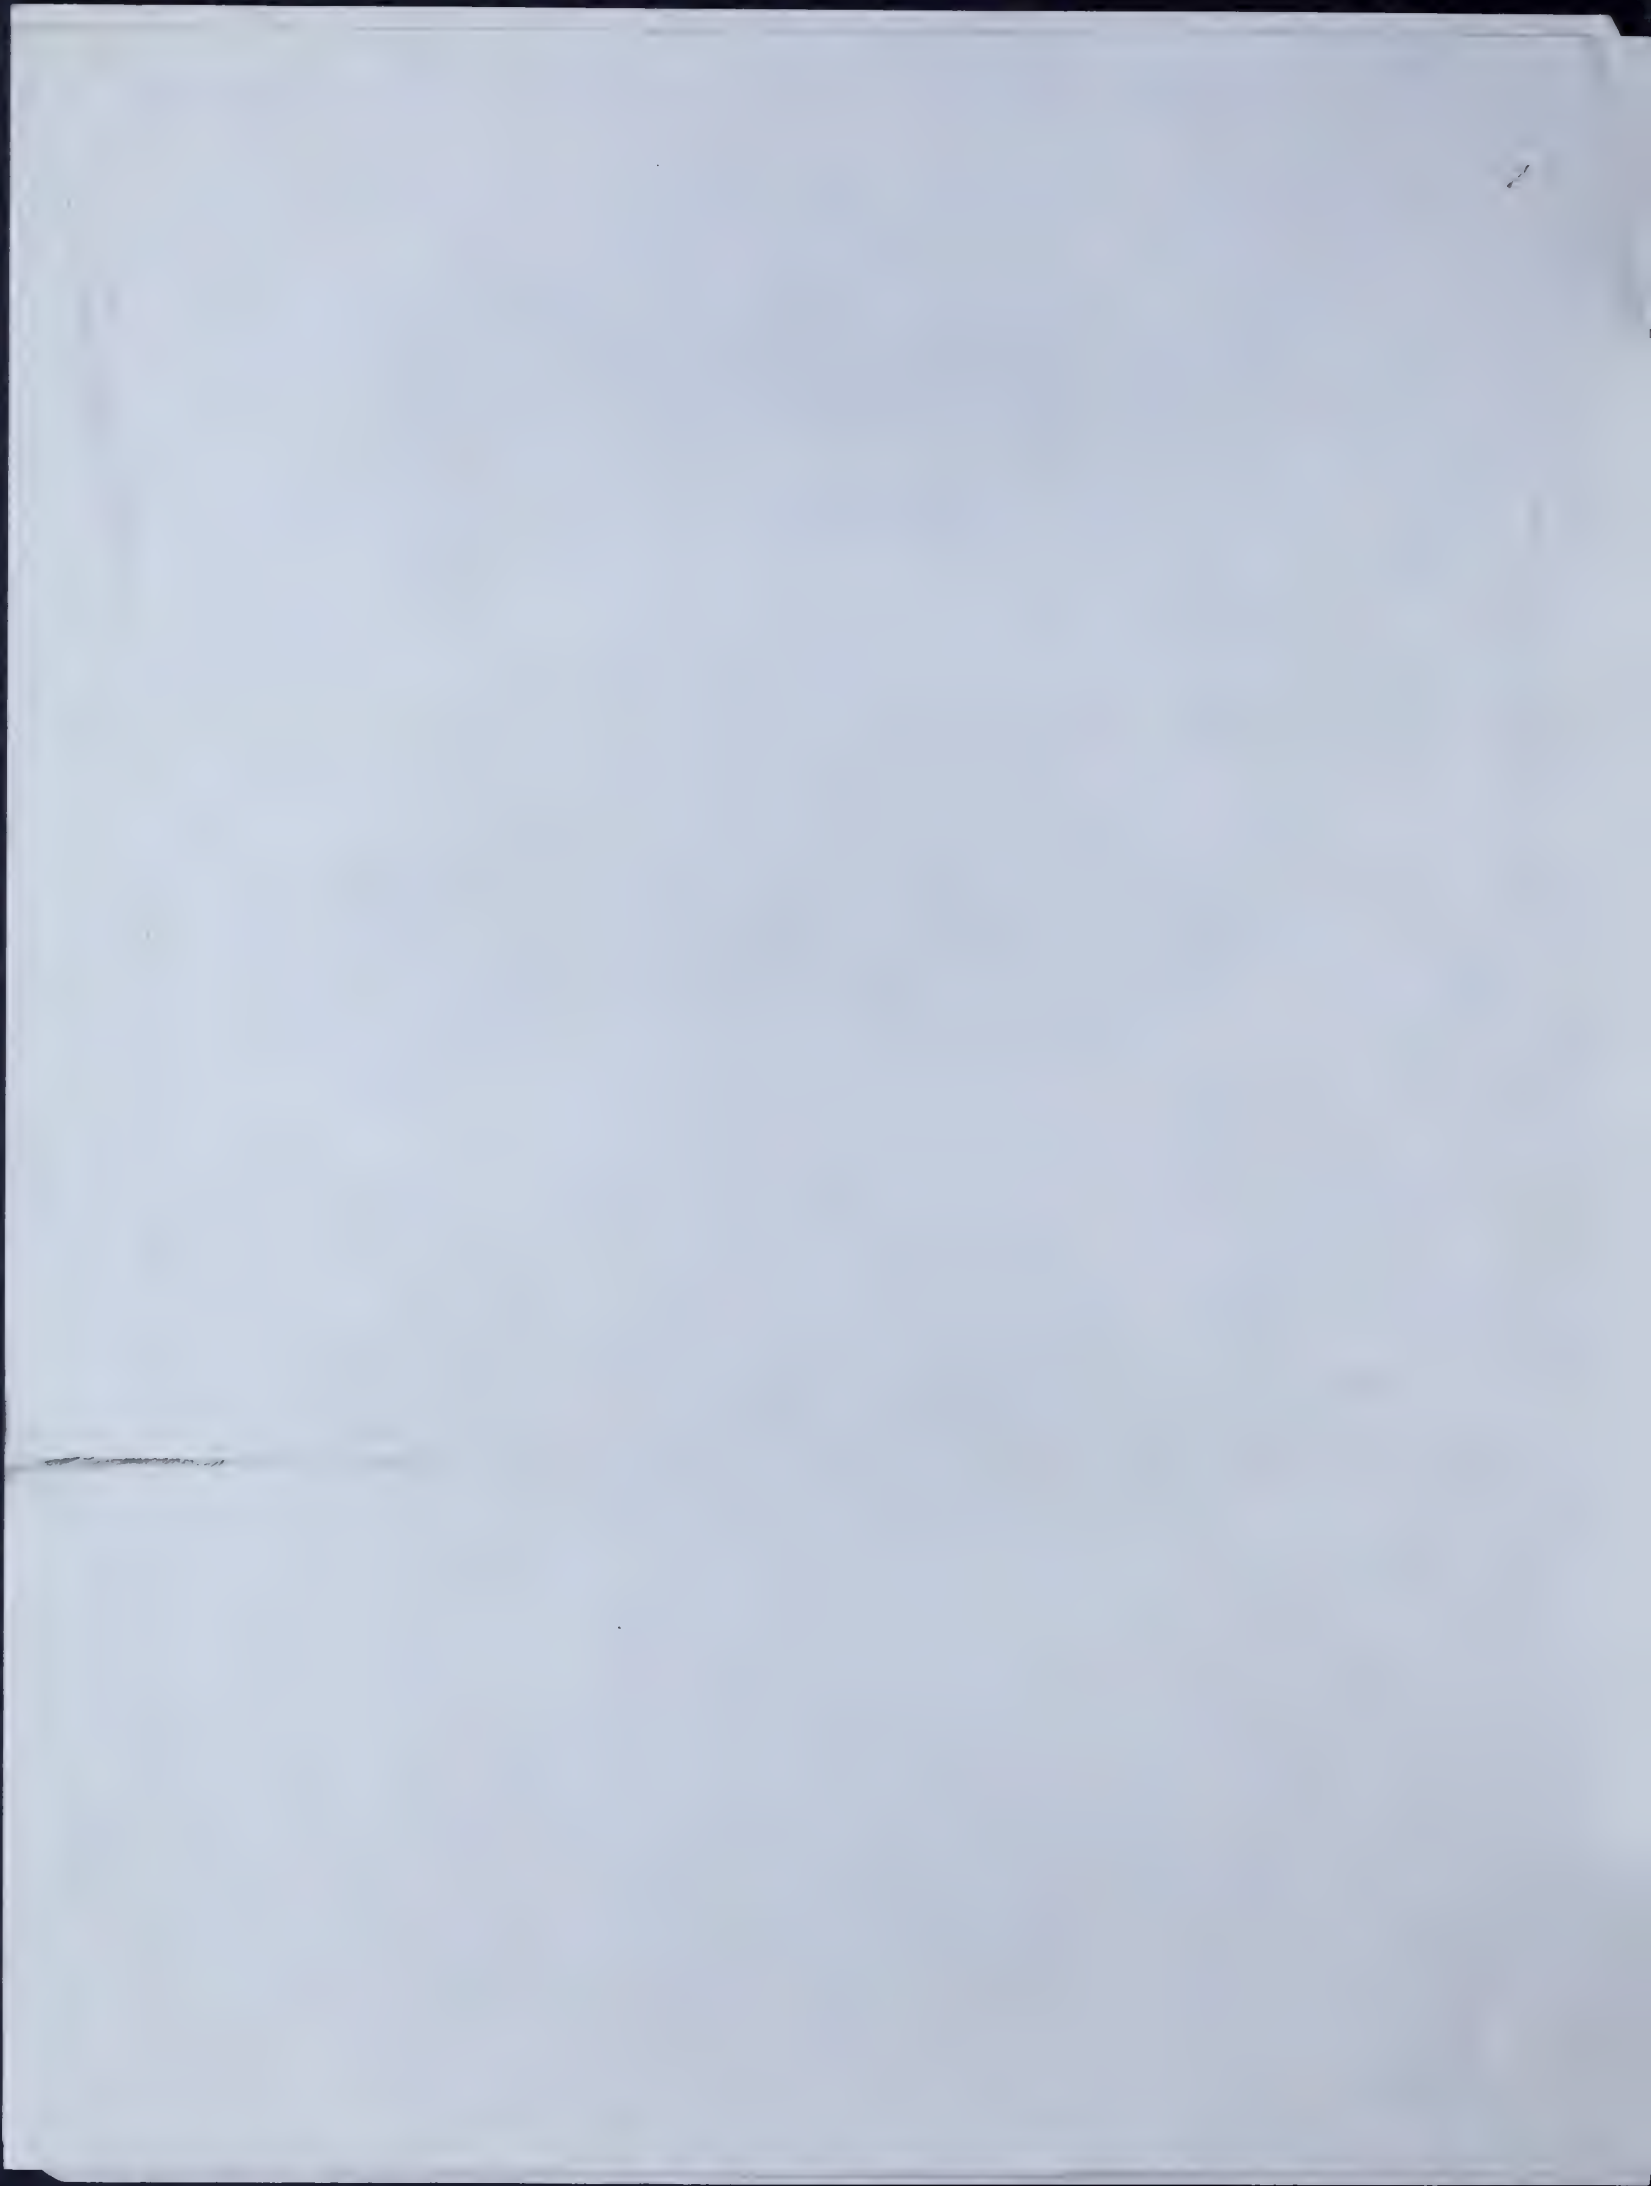

There are many Tripps here who could likely help her too.

Yours truly

Shirley Foster

P.S. I heard from my cousin that he had been "approved." However he had lost interest to a degree & got off onto a "geneological trip" of his own so to speak. I have not been in contact with him since Christmas.

Dear Sir,

Here is the material you requested. I hope you find it interesting. I knew it is a little difficult to read but it was the best I could do. You asked about the French influence in my life. Yes, I have had some French exposure. I grew up in France. I am not French, though. My Father worked for an oil company so we traveled a lot. I spent some time in Libya also. Well, enough for now. Please keep me in mind if you have any information on John Snider or Simon Snider and Mary Jane.

Sincerely,
Leslie Francis
